What's Happening on Campus

Dear Bethel Family,

Chapel yesterday reminded us that God calls us to be "light" in the darkness. We should use the gifts we have been given to help others even when we are scared or not sure what to do. We must trust in God's promise to guide and equip us.

We are being active learners until the very end! The preschool enjoyed a bug assembly today. Various insects were brought in from all around the world and ones native to California. The children were able to touch and hold them. Thoughtful questions were asked. A portion of the cost to host this assembly will be given to save the insects of the Amazon Rainforest.

The elementary students have worked diligently preparing for the science fair. The Jr. Kindergarten-1<sup>st</sup> grade students did group projects that showed a science question they were able to research and find the answers to. The 2<sup>nd</sup>-4<sup>th</sup> grade students conducted individual experiments and have displayed their results to share with you. They will present their projects in Torvend Hall tomorrow. The times will be Noon-12:45 p.m. and 1:45-2:30 p.m. We welcome all Bethel families to attend.

Community Corner

We ask for prayers of comfort, healing, and overall health for all teachers, staff, students, and their families. We also pray for our:

- ♥ All grades
- ♥ End of year projects
- ♥ The Men's Rotating Shelter

"It is good to give thanks to the Lord, to sing praises to the Most High."

~Psalm 92:1

Have you ever heard a song on the radio that moved you inside? You want to listen to it over and over again because it touched you and made you feel something. Have you ever thought about turning it into a song of praise? It doesn't expressly have to be a song about God, but we can sing or hum along as if we are singing to God. Turn it into a love song where your heart is moved towards God since we know He looks at the heart.

*Dear Lord, As in the words from "You are so good to me" by Third Day: "You are my Father in heaven. You are the spirit inside me. You are my Jesus who loves me." Amen.*

If you have a special prayer request you would like the Bethel community to pray for, contact Mrs. Steen to be added to future editions of the Scream.
